Enclosures :

No. 1697-D/43 dated 8-8-1943.

Sir,

Sub: Industries - Sericulture - Kollegal Silk Filatures - Working expenses - Provision of additional funds - Sanction for.

Ref: G.O.No.Ms.1036 Development dated 10-6-1943.

Government in their order cited placed an additional sum of Rs.one and a quarter lakhs at the disposal of Mon. Peychaud to meet the working expenses of the Kollegal Silk Filatures and directed me to submit an estimate of working expenses of the factory for the year 1943-44 to avoid piece meal requisitions for funds.

Since the introduction of the Madras Silk Cocoon Control Order, 1943, there has been heavy purchases of cocoons for the Filature. Further the number of basins working regularly at the Filatures increased considerably with the consequence that large sums of money have had to be disbursed in wages. Mon. Peychaud informs me that out of the moneys placed at his disposal a sum of Rs.27,149 is available

now. To enable him to meet the expenditure in the next three months (including the heavy purchases of cocoons anticipated during the bumper crop season of October and November) he requests that a sum of Rs. three and a half lakhs be placed at his disposal. I request sanction be accorded to his proposal at a very early date.

2. Hon. Peychaud has promised to submit within a week the estimate of working expenses for the year 1943-44 called for by Government. On his doing so, they will be submitted to Government.
